

SprintPay + STG Logistics

Simplify payments, matching,
and release workflows

Pay STG Logistics CFS, CES, and GO charges in SprintPay. Keep payment and reference details aligned to reduce delays and reconciliation work.

Why teams use it

Cleaner matching

Payments stay tied to the right job

Fewer delays

Support release and appointments scheduling

Less rework

Reduce disputes and manual follow-ups

How it works

1 Enter reference

Job number (CES/GO) or job-lot number (CFS)

3 Pay and confirm

Complete payment in one flow with fewer manual steps

2 Pull charges

Retrieve fees directly in SprintPay

4 Reconcile cleanly

Fewer exceptions, less follow-up
